CHAIRPERSONS REPORT

Martin Gale

What a year it has been. So many changes, some great results, and some not-so-great results. But as a club we continue to make progress towards our lofty (ambitious) goals, and to provide our members with great footballing experiences.

Having reached a size of nearly 700 registered players during the winter season, plus supporting many other players and community groups through making our facilities available, plus offering an opportunity for personal enrichment through coaching, team management, refereeing, supporting, and volunteering, FC Twenty 11 is a key enabler for many people – mainly across the north-west corner of Christchurch.

As a Board, we want to recognise and thank all the people who have helped make things possible for other people. We are a charity, mostly run by volunteers. So, those who help really do make a difference.

Talking of those who help, I would like to recognise the people who have been in the “engine room” of our club over the last year, notably Meilissa Green, Tanya Geng Tan, and most recently Vicky Unwin who have all contributed significantly through their passions and talents whilst looking after Club Administrative matters – and more. Jo Laird joined the club as General Manager, and was actively getting up to speed, working across all aspects of the club until the General Manager role was dis-established due to financial reasons. Thank you all. The club has been made better through your contributions.

Behind these people who give their time and talents are a group of sponsors and funders that help us cover the financial gap between subs paid and the reality of running a large and diverse organisation. Of note are our key sponsors for 2024, including: Avonhead Tavern & One Good Horse, Habit Health, Hotel Elms, Mitre 10 Mega – Papanui and Hornby, Perennial Sport and Turf, Sheet Metal Services, and SIFCO.

This year’s financial result, for the financial period ending 30 September 2024, is a modest but pleasing result. Whilst we are a not-for-profit charity, we need to be profitable so we can continue to invest in facilities and our future together.

It is pleasing to be able to report that our club finances continue to hold strong in the face of increased costs and a challenging funding environment. Whilst we’ve been successful with our funding applications, this source of income, along with the generosity of sponsors and volunteers, is never guaranteed. We continue to strive to maintain affordability as we deliver value for your investment in your football-related endeavours.

The proposed development of the Upper Riccarton Domain has taken many turns during the year and is currently in hiatus as several recent changes have left things somewhat in the air. In addition, any investment in Upper Riccarton Domain must be tempered by our continued focus on Avonhead Park being our anchor facility. We would like to say our “flagship” facility, but our aspirations need to be aligned with our finances.

As with the start of every new year, we look forward to another positive season and to more great football in 2025. To help us achieve all that we have lined up for 2025, we

have created a number of opportunities to help, plus we are looking to fill a few roles (please see the vacancies page on our website). From the start of this year we have re-oriented our structure, which is now made up of four main areas, namely: 1. Facilities, 2. Finance, 3. Football, and 4. Fundamentals. To operate and advance these areas.

We start our 2025 planning with positive expectations given the anticipated increase in teams, and the number of initiatives lined up across all of our main operational areas.

Once again, thank you to you all for your part in making things happen – big or small.

Our helpers, volunteers, coaches, team managers, referees, board members, and many more, make things possible. There are plenty of ways you can help the club and your community. If you are potentially interested, please email Vicky, our Club Administrator, on admin@fctwenty11.co.nz to let us know what you might like to do.

I wish everyone a successful year ahead whatever your footballing aspirations are. Thank you for being part of our great club.

Warm regards

DIRECTOR OF FOOTBALL

CVETAN (TSETSO) IVANOV

First Kicks and Fun Football (U6-U8)

Our First Kicks and Fun Football programme continues to challenge traditional perceptions of football as merely a winter sport. Since 2011, we have offered year-round football for players in these age groups, ensuring that young players have access to consistent training and development.

Aligned with the school calendar, our programme includes both Training Days and Game Days for our youngest members. Registration is flexible, allowing parents to enrol their children on a term-by-term basis, choosing from either Training Days, Game Days, or both, at any point throughout the year.

Throughout 2024, we successfully provided a total of 68 sessions for our members, witnessing tangible progress and development in our players.

A significant milestone this year was the successful execution of our Winter programme (Terms 2 and 3) at St Thomas College, where Training Days were hosted indoors on futsal courts. This ensured the full completion of our programme, free from disruptions caused by park closures.

Additionally, we made a strategic change by moving our Saturday Game Day to Friday during the Winter season, holding it at Avonhead Park. This adjustment allowed families with multiple children to participate in Game Day without scheduling conflicts, enhancing their overall experience.

From a programme management perspective, this shift enabled us to invest in more paid coaches, further enhancing the quality of delivery. The programme was expertly led by our Director of Football, Cvetan Ivanov, with support from Will Morgan, Andrew Sawyer, and a dedicated group of volunteers including Simon Darby, Phil Godsiff, Seb and Stian Berondo, among others.

Junior Football (U9-U12)

For the third consecutive year, we successfully delivered two distinct programmes for players in the U9-U12 age groups: the **Club Programme** and the **Development Programme**.

The **Club Programme** is designed for children who prefer a more social experience, training once a week while enjoying the game with their friends.

In contrast, the **Development Programme** caters to players who aspire to reach their full potential, offering intensive training twice a week for 20-30 weeks, depending on age, and the opportunity to compete in the highest possible divisions in Christchurch.

Following the initial team allocations, the Development Programme included two teams in the U9 grade, three teams in U10, and two teams in the U11 & U12 grades, totalling seven teams and 88 players.

Thanks to our use of futsal courts for the first training session each week, our Development Programme players attended all 38 planned training sessions without interruptions from weather-related ground closures or cancellations. This consistency enabled us to closely track and support the ongoing development of our players, which was evident in their improved performances on the pitch.

A key highlight from the Development Programme this year was the success of our U9 team, which, under the expert coaching of Jonathan Weusten, demonstrated significant growth. This young team was supported by a dedicated group of parents, creating a positive and encouraging environment.

Additionally, in U10, thanks to the efforts of Mark Teesdale, we formed a team exclusively from Ilam School children, fostering a strong sense of community and teamwork.

Age Group	Development Programme	Club Programme
U9	2 Teams	2 Teams
U10	3 Teams	3 Teams
U11	2 Teams	1 Team
U12	2 Teams	1 Team
U10 Girls		1 Team
U12 Girls		1 Team

Youth Football – (U13-U17)

In our Youth space we had the following teams:

U13 CDL, coached by Sam Baker and Phil Green

U13 – Riccarton - Club Team, coached by Paul Sibson

U14 – Burnside - Club Team, coached by Kerry O'Neill

U14 – Girls – Club Team, coached by Richard Jenkins

U16 – Girls Academy, coached by Melissa Green

U17 – Riccarton - Club Team, coached by Phil Green

U17 – Burnside - Club Team, coached by Marius Moeser / Carey Baird and managed by Kate MacLeod

U19 – Riccarton - Club Team, coached by Ollie

Men's First Team

The 2024 season proved to be a challenging year for our Men's First team. Following Green Island's decision not to enter the Southern League (SL), our team was invited to return to the league. The club appointed Graham McMann, Josh Dray, and Kevin Peters, who faced the difficult task of rebuilding a team almost from scratch in a very short time frame and preparing them for competition in the Southern League.

Pre-season saw the introduction of several new players, including a few recruits from overseas. Despite these additions, the team struggled at the start of the campaign, with a series of heavy defeats. After the first round of fixtures, Head Coach Graham McMann made the decision to resign, and his assistant, Kevin Peters, took over as head coach. While the change in leadership brought some positive signs in terms of performance, the results remained elusive, and the team ultimately faced relegation from the SL.

Looking ahead to the 2025 season, the club has appointed co-coaches Marius Moeser and Simon Darby to lead the Men's First team in the Canterbury Premier League. Their primary challenge will be to rebuild the team over the next year or two, with the goal of returning to the Southern League and providing a competitive platform for players emerging from our Development Programmes.

Women's First Team

At the conclusion of 2023, the club appointed Lyndsey Anderson as Head Coach of the Women's First team. A highly experienced player, Lyndsey represented Scotland at the U17 level during her playing career and was entering her second year of coaching. With her charismatic leadership and deep understanding of the game, Lyndsey quickly established a positive and competitive team environment. Her passion and skill were evident, as she often stood out as one of the top performers in both training and matches.

The team was primarily composed of young players who had competed in our U16 team the previous year under the guidance of Sam Baker, supplemented by a few senior players in their mid-twenties, such as Heidi Gwynne and Grace Burroughs, who became key figures and the core of the team. The squad also benefited from the support of Simon Darby and Tony Sinclair, who occasionally stepped up to lead training sessions and matches.

As a result of their hard work and cohesive team dynamics, the team delivered consistent performances throughout the season, ultimately winning their respective division and producing several memorable moments. To conclude the season, many of the players participated in the U19 tournament, providing a strong finish to their campaign.

FC Twenty 11 in the Community

Holiday Programmes

2024 marked another successful year for the club in delivering Holiday Programmes to the local communities we serve. We are pleased to share the following achievements:

- We organised, coordinated, and delivered the Riccarton Sports Hub Holiday Programme in January, with 186 participants engaging in sports activities across five different sports over two days.
- We ran six different holiday programmes during the April and July school holidays, offering three 2-day programmes in each school holiday period.
- In total, more than 420 players registered for our Holiday Programmes this year, demonstrating the growing popularity and reach of our offerings.

Football in Schools - After School Programme

Building on the success of our pilot programme at Ilam School in Term 4 of 2023, we expanded our Football in Schools initiative in Term 1 of 2024. The programme was delivered to four local schools, as well as St Margaret's College, where we focused on a girls-only after school programme. Over 150 participants committed to the six-week programme, which took place at each school's sports ground immediately after school.

Coaches Will Morgan, Marius Moeser, and myself (Cvetan Ivanov) thoroughly enjoyed working with the children, and we saw great enthusiasm and participation. More importantly, we observed crossover between the school programme and our Winter Programme, reflecting the growing connection between the school-based initiatives and the club.

The primary objectives of this initiative were to provide structured, enjoyable, physical activity through football and small drills, and also to establish a clear link between the schools and the club, with the goal of encouraging new memberships for FC Twenty 11.

Term 1 2024

Avonhead School	Burnside Primary	Ilam School	Russley School	St. Margaret's College
30 participants	42 participants	34 participants	20 participants	31 participants

In Term 4, our programme continued to excel. Coaches Will Morgan and Miguel Morales delivered the after-school programme to the same schools, engaging just over 130 participants who committed to the six-week programme.

Overall, this brought the total number of participants in our Football in Schools programme to over 280, allowing more children to experience our football programme right in their school backyard.

Term 4 2024

Avonhead School	Burnside Primary	Ilam School	Russley School	St. Margaret's College
36 participants	23 participants	21 participants	20 participants	35 participants

Additionally, I would like to highlight that the club has also delivered several lunch break visits at Avonhead School, as well as expanding our reach to local pre-schools, including Ilam Pre-School, Hawthornden Pre-School, and Kids First (Staveley Street).

We are proud to share that Will Morgan has been voted the best coach for delivering these programmes. His outstanding efforts have resulted in his bookings for Term 1 of 2025 already being fully booked, with an additional five schools lined up. Well done Will!

Coach Education

Talent Development Education – JL3, C License, B License

In 2024, the club made significant strides in the development of its coaching staff. Several coaches achieved important accreditations, strengthening our position in the Talent Development Pathway (TDP). Notable achievements include:

- **JL3 Accreditation:**
The following coaches earned their JL3 accreditation, further enhancing the club's presence in the TDP space:
 - Will Morgan
 - Mark Teesdale
 - Marius Moeser
- **C License Accreditation:**
The following coaches achieved their C License in 2024:
 - Josh Dray
 - Taylor Dove – GK C License
- **Coach Development Commitments:**
The club has also committed to continued coach development, with several coaches set to achieve further qualifications:
 - JL3 (held in October 2024):
 - Andrew Sawyer
 - Phil Godsiff
 - Jonathan Weusten
 - C License (to be held in February 2025):
 - Will Morgan
 - B License (to be held in January 2025):
 - Keith Neil
 - Marius Moeser
 - Simon Darby
 - Tony Sinclair

It's great to see the club's ongoing commitment to coach education, as it is crucial for the continuous growth of our coaches and our players, and also the continuous improvement of our competitiveness in the Talent Development spaces.

Community Coach Education

In 2024, we had 16 participants attend the Junior Level 1 coaching course, with six of them completing all modules. Congratulations to the following individuals, who have become the newest additions to our coaching family:

- Cairo Savage
- Benjamin Green
- Cillian McCracken
- Tremain Laird
- Ryan Yu
- Flynn Isherwood

End of Season Tournaments

At the conclusion of the winter season, our club teams participated in several regional, South Island, and Taupo tournaments. With significant involvement from players, parents, and coaches, we provided opportunities for 12 teams to compete during the October school holidays.

Taupo Invitational Tournaments Participation:

- U13 CDL

South Island Tournaments Participation:

- U10 Mix
- U10 Girls
- U16 Girls

Regional Tournaments Participation:

- U9 Mix – 2 teams
- U10 Mix – 2 teams
- U11 Mix – 2 teams
- U12 Mix – 1 team
- U14 Boys – 1 team

A highlight of the regional tournaments was our U11 and U14 teams both reaching the finals in their respective tournaments.

Hosting End-of-Season Tournaments & Tariq Omar Memorial Cup

For the fourth consecutive year, our club had the honour of hosting the U12 and U13 Regional Tournaments. I had the privilege of serving as Tournament Director alongside Andrew Sawyer. Thanks to the many volunteers and referees who made these six days of football possible. We received great feedback and look forward to hosting again in 2025.

In addition, we successfully held our 6th annual 5-a-side Memorial Cup in recognition and celebration of Tariq Omar and his contributions to our club. A big thank you to Will Morgan and Andrew Sawyer and everyone who helped organise and run the event, making it a memorable occasion for all involved.

Now we look forward to continuing the good work the clubs have done in the past few years and look forward to another eventful year in 2025 in the right direction.

Dear FC Twenty 11 Community, as I transition away from my role and embrace a new challenge, I would like to take this opportunity to express my heartfelt gratitude to all those who have supported me over the last four years at FC Twenty 11 - and throughout my nearly ten-year journey with the club. I am deeply thankful for the collaboration and encouragement I received from club presidents, board members, fellow representatives, past and present parents and players, funding partners, sponsors, suppliers, and every individual involved in our vibrant community. Your unwavering support has not only enriched my experience but has also fostered an environment where passion for football thrives. While I am in the process of stepping away from the DoF role, I am leaving behind lifelong friendships and a dedicated group of individuals who are committed to nurturing the growth of our beloved football club. The future is bright for FC Twenty 11, thanks to your collective efforts. Thank you once again for everything. Please know that you can always count on me—my commitment to football and the club will remain steadfast.

*Forever yours in football, Cvetan Ivanov

SOCIAL SENIORS & MASTERS SUBCOMMITTEE – 2024 SEASON

Prepared by Cameron Bradley & Saurab Gautam

Social Seniors & Masters Subcommittee (SSAMS) Overview

In 2024 we had 191 registered SSAM players (up from 176 last year) across 12 teams (up from 11 last year). There were 85 new SSAM players registered in 2024 who didn't register in 2023 (up from 59 last year). This was the first year of the SSAMS. Currently the SSAMS is structured based on membership of our teams. While it is essential this continues, over half of our teams have got involved in some manner.

Projects

The SSAMS organised a number of initiatives in 2024:

- Coordinating gear and apparel
- Quiz night fundraiser
- Indoor football venue (with CWCL)
- Capturing photos of most SSAM teams (with competitive teams)
- Prizegiving (with competitive teams)
- Facebook group
- Communications and social media

Prizegiving

This event was probably the biggest initiative of the year. It could not have been delivered without the significant help of Jo Laird (General Manager) and Vicky Unwin (Club Administrator), or without partnering with the mens and womens competitive space. Thanks to the club's support with these items. It was nice to bring this club event back after a several year hiatus.

There were five teams in attendance, plus some sponsors, guests, and club representatives. It would have been great to have had more of our social teams in attendance, but we hope that the event will, along with other initiatives, help our teams connect more and develop club culture back to a place where teams would like to attend.

We would like to again congratulate the club award winners:

- Team of the year: CWCL
- Personality of the year: Keith Grosvenor
- Volunteer of the year: Simon Darby
- Tony VD Looy trophy (for a senior player/member who has contributed significantly to the club): Phil Green

Casual Football

This year there have also been two significant organisers of more casual football opportunities utilising our facilities - JJ Beardsley and Keith Heather. The best way to grow without teams moving from other clubs is through avenues like these.

Budget

Having pre-approved access to funds was extremely beneficial in enabling these initiatives in a timely and efficient manner. We believe we have used this budget responsibly, but transparency in this budget spend and availability would be appreciated. We hope that this year has demonstrated that this concept is a good steppingstone to improving the culture in our senior space.

Next Season

The SSAMS will continue meeting over the summer and work towards a 2025 plan of events. This will enable a strong start to the season for new and existing players and early calendaring of key events like quiz night(s) and prizegiving.

There is already strong interest from at least one additional team to join FC Twenty11 next year, and it is hoped there will be room for another team or two to be formed from new players on top of this.

The SSAMS thanks the board for the opportunity to work this way in 2024 and from our perspective it is a significant success that we can continue to build on. We look forward to continuing to work in partnership with the board and the club for further success in 2025 and out years.

Wishing you a restful summer,

Cameron Bradley and Saurab Gautam

Social Seniors and Masters Subcommittee co-chairs

Entity Information

“Who are we?”, “Why do we exist?”
For the year ended 30 September 2024

Legal Name of Entity:	FC TWENTY 11 Incorporated
Other Name of Entity:	FC TWENTY 11
Type of Entity and Legal Basis:	Incorporated Society & Registered Charity
Registration Number:	2542996

ENTITY’S VISION, MISSION AND VALUES:

VISION: FC Twenty11 is a volunteer club run by dedicated football fans and community advocates to provide opportunities for players, coaches and club members to succeed in gaining football knowledge and skill, inspiring them to participate in and enjoy the world game.

MISSION: Promote football and provide the opportunity for everyone in the community to be involved in and enjoy the world game. By focusing on enjoyment and skills development, club members will become football fans and pass on their passion for the game to others.

PURPOSE: Build a member base of football fans; Build Character (to repeatedly get better takes character, not talent); Build a club environment and create a sense of belonging; Build more than a football club (positively contribute to the community).

VALUES: Respect the game and all involved, Future Focused, Community Inclusiveness, Commitment.

ENTITY STRUCTURE:

The club has a governance board consisting of a Chairman, Secretary, a Treasurer, along with two other board members. The board is responsible for setting the annual membership fees, the contracting of personnel to run club activities, the setting of strategic goals and monitoring the implementation of these goals, all compliance reporting requirements associated with being a registered charitable organisation, and the overseeing of the functions required to achieve the club’s mission statement. The rules and regulations of the club is set in the Clubs Constitution which regulates what controls the Board has and the rules regarding club membership. The club operates its footballing activities within the Mainland Football Region, one of the districts within New Zealand Football.

MAIN SOURCES OF THE ENTITY’S CASH AND RESOURCES:

The main source of club funds is from membership subscription fees. The club also derives revenue from club activities which includes running football programmes, selling club merchandise and the proceeds from after match bar sales. The club runs ad-hoc fundraising activities for either specific causes or for general club funds. The club is also reliant on Gaming Trust funds and community based grants to help contribute towards the on going operating costs of the club, equipment purchases in addition to specific projects such as tournament costs for individual teams.

MAIN METHODS USED BY THE ENTITY TO RAISE FUNDS:

Fundraising activities of the club are generally aligned to a specific project to improve the club's facilities or equipment, or for tournament costs regarding individual teams that travel out of town. The fundraising is primarily targeted at family, friends and acquaintances of club members.

ENTITY'S RELIANCE ON VOLUNTEERS AND DONATED GOODS OR SERVICES:

The club is heavily reliant on club volunteers to perform a number of tasks related to fielding our football teams. All of our junior teams are coached and managed by parent helpers or other club volunteers. Each junior team has a free subscription fee for a player whose parent assists with coaching or managing. The club also relies on volunteer helpers for tasks such as the annual registration process, the issuing and collecting of playing gear, and the maintenance of club facilities and playing areas.

FC TWENTY 11
Statement of Accounting Policies
“How did we do our accounting?”
For the year ended 30 September 2024

BASIS OF PREPARATION

FC TWENTY 11 has elected to apply PBE SFR-A (NFP) Public Benefit Entity Simple Format Reporting - Accrual (Not-For-Profit) on the basis that it does not have public accountability and has total annual expenses of equal to or less than \$2,000,000. All transactions in the Performance Report are reported using the accrual basis of accounting. The Performance Report is prepared under the assumption that the entity will continue to operate in the foreseeable future.

FC TWENTY 11 acknowledges the External Reporting Board (XRB) in providing the template for the new form annual accounts presented by the club.

GOODS AND SERVICES TAX (GST)

All amounts are recorded exclusive of GST, except for Debtors and Creditors which are stated inclusive of GST.

INCOME TAX

FC TWENTY 11 is wholly exempt from New Zealand income tax having fully complied with all statutory conditions for these exemptions.

BANK ACCOUNTS AND CASH

Bank accounts and cash in the Statement of Cash Flows comprise cash balances and bank balances (including short term deposits) with original maturities of 90 days or less.

CHANGES IN ACCOUNTING POLICIES

There have been no changes in accounting policies for the financial year ending 30 September 2024. All policies have been applied on a basis consistent with those used in previous years.

Financial Accounts Review – Auditors Letter

FINANCIAL ACCOUNTS REVIEW

To the readers of the Financial Statements of the
FC Twenty 11 (Inc.) Football Club

As per the resolution passed at the 2013, Annual General Meeting I have reviewed the Financial Statements for the year ended 30th September 2024. These statements provide information about the past financial performance of the Football Club and its financial position as at 30th September 2024.

This information is stated in accordance with the accounting policies set out in the Statement of Accounting Policies.

Football Club's Board and Treasurer's Responsibilities regarding the Financial Statements.

The Football Club's Treasurer is responsible for the preparation of the Financial Statements, which fairly reflect the results of the operations and financial position of the Football Club as at 30th September 2024. The Treasurer also reports to the Board on a regular basis, usually monthly, the ongoing financial position of the company.

Reviewer's Responsibilities

It is my responsibility to review, and report to you, an independent view on the Financial Statements presented by the Football Club's Treasurer.

Basis of Review

This review includes examining, on a test basis, evidence relevant to the amounts and disclosures in the Financial Statements. It also included assessing:

- Any estimates and judgements made by the Football Club's Treasurer and board in the preparation of the Financial Statements, and
- Whether the accounting policies are appropriate to the Football club's circumstances, consistently applied and adequately disclosed.

My review was conducted in accordance with generally accepted auditing standards in New Zealand. My review was planned and performed to obtain all the information and explanations I considered necessary. Sufficient evidence was obtained to give reasonable assurance that the Financial Statements are free from material misstatements, whether caused by fraud or error. My review also evaluated the overall adequacy of the presentation of information in the Financial Statements.

Apart from reviewing the Financial Statements, I have no other relationship with or interest in the FC Twenty 11 Football Club (Inc.).

Review Outcomes

The organisation continues to maintain a high standard of record keeping and control negating the chances of material error or fraud. The introduction of digital systems in recent years, especially around subscription maintenance, has been maintained during the year. The prior introduction and widescale use of bank transfers and credit card payments continues to significantly reduce the potential of fraudulent transactions.

The ongoing use of the cloud-based Xero accounting system provides greater transparency and recording of the accounting transactions undertaken. These improvements should provide a greater financial reporting and decision-making ability to the Board.

I have noted that during the year the board approved delegated authorities policy, giving the guidelines for expenditure approval, appears to have adhered to.

I have also noted that the required Board approvals and checks were sought and maintained throughout the large Capital Expenditure process.

Based on the information extracted from the relevant cloud-based systems and explanations given to me by the Chairperson and Treasurer, it would appear that the Financial Statements fairly reflect the results of operations for the year ended 30th September 2024 and the financial position of the Club as at 30th September 2024.

My review was completed on 1st December 2024 and my viewpoint is expressed as at that date.

the 1990s, the number of people in the UK who are aged 65 and over has increased from 10.5 million to 13.5 million (19.5% of the population).

There are a number of reasons why the number of people aged 65 and over has increased. One of the main reasons is that people are living longer. The life expectancy at birth in the UK is now 77 years for men and 81 years for women (ONS 2002).

Another reason is that people are having children later in life. This means that there are more people aged 65 and over who have children who are still alive.

There are also a number of reasons why the number of people aged 65 and over who are in poor health has increased. One of the main reasons is that people are living longer with chronic conditions.

Another reason is that people are having more accidents and injuries as they get older. This is because their bodies are weaker and they are more likely to fall or trip.
